

614 SUITE
LANGFORD SASHLESS
DOUBLE HUNG
WINDOW

The ClearVENT double hung window is designed to give a clear uninterrupted view. With no horizontal mid-rails, vision is maximised, whilst allowing superb ventilation.

PRODUCT FEATURES

Custom made sizes to suit your requirement's.

The 2 panels of glass slide silently past each other view a counterweighted pull system. They come with a key lock as standard.

The flyscreen is integrated into the frame for a neat appearance.

The frame profile has an option of bevel or square bead for a modern or more traditional look.

ClearVent windows can be inlaid into bifold or hinged door panels. This allows ventilation whilst the doors are closed and locked.

A variety of glass types can be used in this window, including Low E and obscure.
